June 2017

2-1-1 Tampa Bay Cares

Number of Calls

Source: ACD Report

- The general 2-1-1 FSI call volume trend is following the same seasonal pattern as the previous year with call volume increasing in the summer months.
- The FSI call line received roughly the same volume of calls as last year in June, but call agents were able to answer 20% more calls.

PEMHS Navigation

Number of Families

Source: PEMHS Monthly Upload

- PEMHS Navigation opened 75 more cases, a 91% percent increase, in June 2017 when compared to June 2016.
- In addition to the cases opened through referrals from 2-1-1, PEMHS opened a total of 27 cases in Family Connection Navigation and Truancy Navigation.

Type of Navigation

- Families who are not eligible for services included families: with CPI involvement or other case management services, who are not sustainable, have received previous assistance for the same need, who live out of county, or do not have minors in the household.
