Overview

Purpose

The Juvenile Welfare Board has established financial policies and procedures to assist JWB-funded programs with the financial administration of JWB funds. The primary purpose is to assist programs in the development of their budgets and to operate their programs according to sound financial management principles and in alignment with their approved program methodology. This manual outlines those policies, procedures and guidelines.

This manual is a living document, which will be updated periodically. Providers will be notified a minimum of thirty (30) calendar days of any modifications to these policies and procedures. This manual will be maintained on the Juvenile Welfare Board of Pinellas County web site, which can be accessed at www.jwbpinellas.org.

Authority

As stated in the Juvenile Welfare Board Policies III-1, “the Board has the powers and duties to provide, maintain, manage, and allocate funds to providers providing services that are operated for the benefit of Pinellas County children and families as determined or directed by the Board in accordance with the Strategic Plan and adopted budget.” The Juvenile Welfare Board has delegated the responsibility and authority to JWB staff to review and approve line item budgets within their approved allocation that are in compliance with JWB funding policies and in alignment with JWB-approved program methodologies.

Agency Responsibilities

Financial management systems are necessary for effective control over accountability of all funds, property, and other assets. These systems must also adequately ensure that assets purchased with JWB funds are used for their intended purpose. While providers are afforded flexibility in the design of an operational budget, providers must expend all funds in a manner that is consistent with the JWB approved methodology as well as being consistent with sound business practice, and relevant state and federal statutes.

Financial Data Submission

The Grant Evaluation and Management System (GEMS) is the web-based reporting system developed to facilitate financial data transfer between JWB and its funded programs. Program users must complete and submit the required GEMS User ID Request Form directly to their Senior Program Consultant to gain appropriate access to the system. Forms can be obtained on the JWB website at <http://www.jwbpinellas.org> or on the GEMS website at <https://nestos.mosaic-network.com/ajaxswing/apps/jwb>.

If a GEMS user no longer requires access or has a change in access, program staff must submit a GEMS access form to their Senior Program Consultant within 5 business days in the case of

voluntary termination and immediately in the case of involuntary terminations to reflect the change.

Budget Development

Budgets in GEMS must include all anticipated program expenditures and revenues. All anticipated expenditures must be in alignment with the approved methodology.

1. JWB will notify providers of program allocations and the date provider program budgets are due in GEMS. Budgets are based on a fiscal year of October 1st through September 30th.
2. Program budgets submitted in GEMS must be balanced. The provider shall enter the Total Program Budget from all revenue sources, including in-kind. The Total Program Funding must balance with Total Program Budget prior to submission.
3. Revenue that is restricted shall include a detailed narrative of the eligible expenses.
4. Each budgeted line item must have a detailed narrative. If there is a change of +/- 10% greater than \$1,000 from the previous year for any line item in the total program budget or JWB Budget, an explanation for the change is required in the narrative. An explanation must be provided for a new or removed expense within a budgeted line which may not meet the +/- 10% threshold.
5. Positions are recognized in GEMS at the agency level. All staff must be assigned to a position and position titles should be consistent with the agency position profile on file. If job duties or titles have changed, the original position should be end dated and a new position created.
6. Gross salary must be entered for each position. The percent of time to program and percent of JWB support must be entered to calculate the program and JWB salary amounts.
7. A position narrative must be included in budgets which explains all of the following:
 - a. Total FTEs and a break out of full time, part time and seasonal staff
 - b. Any changes to positions from prior year (adding or removing positions)
 - c. % of increase and decrease from prior year in staff salary.
 - d. Rationale for increases and decreases in salary (cost of living, merit, etc.)
8. Any agency with an approved indirect cost rate from a cognizant federal agency must provide their rate in the Administrative line item narrative in the agency budget. An approved cost allocation plan shall be submitted to the JWB Senior Program Financial Analyst. If an agency does not have an approved cost allocation plan, their administrative rate must not exceed the rate calculated based on their most recent audited financial statements or Form 990. The JWB reimbursable Total Administrative Cost must not exceed 17% of the JWB Allocation per JWB Board action on February 8, 2007. Admin costs shall not include any costs budgeted in another line item.
9. The budget in GEMS will not be approved until both the authorized funded agency representative and the Chief Executive Officer of JWB have signed the contract.

SALARIES

Positions / GEMS Provider and Contract Details

1. All positions in JWB funded programs must be entered into the GEMS Provider and Contract Details module, whether funded by JWB or not.
2. Positions must be kept updated to reflect current positions, program support, and staff throughout the contract cycle.
3. Changes in staff duties and assignments must be approved by JWB in advance of making those changes. Thirty days after approval, an updated methodology and the corresponding job descriptions shall be submitted.
4. Positions, Position Assignment records and Staff are not assigned to a fiscal year and must remain open as long as they are active. The start and end dates of the positions and position assignments must reflect the actual date the position was created/assigned and ended. If a position is no longer funded in the program, the position record must be ended with the effective date. Position assignments should be ended using the staff's last day of employment.
5. Each position and all staff must be individually identified and must not be grouped. All positions and staff must be updated and maintained throughout the contract year as changes occur.
6. Staff names must reflect the actual employee's name. If a Position is vacant, a staff member should not be assigned. Do not create a staff member with a fictitious name, i.e. Vacant, TBA, TBD, to be Hired, Unknown etc.
7. The JWB Senior Program Consultant must be notified in writing by program staff within 30 days of all key staff member changes. If JWB no longer funds any programs at the Agency, all Staff and Positions must be terminated. Positions or staff can only be deleted if it is not part of an approved budget. Positions and staff can be archived/unarchived by the agency, as needed.
8. If any positions are not funded for all 52 weeks of the fiscal year, then the weeks funded for that position must be updated to reflect the total number of weeks funded within that program. (i.e., summer program staff may equal 10 weeks of funding).
9. A chart of accounts is attached for reference in budgeting personnel expenses.

Allowable Salary Expenses

1. Salary Increases / Adjustments
 - a. Provider shall provide supporting documentation (Board meeting minutes, etc.) for all salary adjustments. Pre-planned merit increases for staff must be reflected in the salary for each position that is included in the approved line item budget and position narrative. The GEMS salary narrative shall include the % increase, type of increase and approval date. If programming is impacted by the adjustment, an updated methodology must be approved prior to submitting the budget.
2. Leave Payout upon Termination or Reduction in Work Force:

- a. JWB will reimburse for recorded leave balances of up to two weeks for JWB funded positions. The recorded leave balance can be a combination of Paid Time off (PTO), Annual Leave (AL) or Sick Leave (SL).
- b. If the cost of leave payout is not available through expenditures elsewhere in the program's budget, additional funds cannot be requested from JWB. If the leave payout requires a budget revision, the revision must be submitted in writing to the Chief Financial Officer prior to a budget amendment in GEMS. The agency will have to be able to demonstrate how the funds for the lump sum payment are available in the program's budget.

Unallowable Salary Expenses

1. Severance
2. Leave balance greater than two (2) weeks
3. Bonuses or Incentives

OPERATING EXPENSES

1. The Program Budget must include all expenses related to the program for which the budget is being submitted.
2. For each program, the Total Program Budget column should include all expenses for the program. The original JWB Budget column should only include those expenses being funded by JWB.
3. A chart of accounts is attached for reference in budgeting operating expenses.

Allowable Operating Expenses

1. Capital Expenses

- a. Capital equipment includes items that have a useful life of one year or more and cost in excess of each agency' capital asset threshold. Items of less than the agency's capital asset threshold are considered to be fixed assets if together the items combine to create a system or if it they form an integral part of another piece of equipment or a structure.
- b. Allowable capital expenditures include any assets that are directly used in the operation of the JWB funded program. Examples include computers used by program staff, vehicles used for transporting program participants, and other large equipment used by program participants or essential to program delivery.
- c. Administrative / infrastructure capital expenditures are allowable only as part of a competitive capital (Request for Applications / Proposals) award. Examples of administrative capital expenditures include IT infrastructure (servers) assets, computers for admin staff, and renovations to administrative facilities.
- d. Upon termination of a program, any assets purchased with JWB funds shall be disposed of at the direction of JWB.
- e. Provider shall notify JWB of any capital assets funded by JWB that are disposed of prior to the end of their estimated useful life (not fully depreciated.)

2. Pre-paid Expenses

- a. Conference/Registration/Travel - In-state and out-of-state conference expenses that have been budgeted must be within the current JWB contract period of October through September. All conference related expenses (mileage, conference fee, airfare, hotel, per-diem, etc) must be included in the conference budget line item. If the expenses are incurred in one contract period and the event occurs in the next, the travel-related expenses (mileage, airfare, hotel accommodations, etc.) cannot be billed to JWB until the event occurs. JWB funded conferences must be approved in writing by the program's Senior Program Consultant prior to attendance and must include the following information:
 - i. Conference Title
 - ii. Conference Dates
 - iii. Conference Location
 - iv. Names of Staff Attending
 - v. Anticipated Expenses
- b. Annual Costs are considered costs that only occur once per contract period. These costs might include liability insurance or membership fees. JWB will reimburse for these annual costs in the month the expense is incurred.

3. Per Diem

- a. Reimbursable rates for meals are:
 - i. Breakfast - \$14.00
 - ii. Lunch - \$15.00
 - iii. Dinner - \$28.00
- b. Meals included in the cost of admission are required to be shown on the admission receipt or other acceptable back up such as the costs from the company's website;
- c. Participant list(s) must be kept and/or provided, a sign in sheet or attendance roster is acceptable to support the number of youth/chaperones on the field trip;
- d. Chaperones meal cost will be covered at the rate noted above and based on the Chaperone/Child Ratio.

4. Professional Development – Based on agency Travel and Conference Policy. However, JWB will only reimburse for expenses up to the JWB per diem rates.

5. Participant Expense – In order to enable provider programs to meet individual client needs for program success, the following expense structure is allowed within reasonable parameters. Providers must include a narrative of each planned expense and describe how it supports the methodology of the program:

- a. Food/refreshments for group activities that include participants served
- b. Goal achievement incentives
- c. Recreational and educational trips
- d. Child safety items

6. Field Trips

The purpose of this policy is to provide JWB funded agencies the information required when planning for field trips to incorporate into their program budgets and which support their program methodology. **See Attachment 2 JWB Approved Field Trip Locations.**

Allowable Field Trips

- a. Field trips that are an outgrowth and extension of your current program, linked to academic learning, assist with meeting program goals and methodology;
- b. Field trips that are educational and enrich participants experience beyond the regular program setting and should directly relate to the current instructional program they are engaged in;
- c. Field trips that provide an educational experience from which participants can grow academically or culturally;
- d. Field trips that are a supplement to your regular program curriculum and not the focus of the programs foundation.

Allowable Field Trip Costs

- a. Admission prices
- b. Transportation costs
- c. Meals (see Per Diem).

Allowable Transportation Costs

Transportation costs are per your agency's transportation policy for field trips. JWB does not restrict the type of transportation that will be reimbursed.

Unallowable Field Trips

- a. Pools with no lifeguards on duty
- b. Field trips to beaches or large bodies of water or amusement parks that do not support the instructional programming and methodology on file for the program.
- c. Any field trips for participants under the age of four (4).

Unallowable Field Trips Costs

- a. Recreational and/or social activities that do not have a clear educational and youth development component and are for purely entertainment purposes;
- b. Field trip expenses not submitted prior to close of the fiscal year in which the expense occurred;
- c. Any costs associated with fundraising activities for the field trip(s);
- d. Tips on transportation costs

Participant Lists

- a. Participant list(s) are required for all field trips;

- b. Sign in sheets or an attendance roster are allowable in lieu of a participant list. The sign in sheet or attendance roster should include any chaperones that are attending if you are requesting reimbursement or pre-payment for their admission to the event. They should be noted as such on the sign in sheet or roster.

Chaperone/Child Ratio

- a. The ratio of Chaperone to Children is listed below. However, this list does not limit the agency to having a higher chaperone to child ratio.
- b. Agency Staff are counted as Chaperones and are the only Chaperones reimbursed by JWB.
- c. Chaperones over this ratio must be paid for from other funding sources.

Based on your agency’s policy all chaperones/volunteers/staff should have a level 2 background check prior to attending a field trip.

Age of Children	Chaperone/Child Ratio
4-8	1:6
9-12	1:8
13-18	1:10

Field Trip Exception Process

- a. If a field trip is not on the Approved Field Trip List, the “Field Trip Exception Application” (Attachment 3) must be completed and forwarded to the JWB Senior Program Financial Analyst at a minimum of 30 days prior to the event date to gain approval.
- b. Approval must be obtained prior to the event taking place. If prior approval is not received, JWB cannot guarantee that the expense associated with the field trip will be covered and/or reimbursed. Please note that the following types of trips also require approval prior to attendance:
 - i. Any College outside the State of Florida
 - ii. Any overnight trips, even if on the approved list

Unallowable Operating Expenses

In accordance with JWB Policy III-4, JWB reserves the right to disallow any expenditure that is considered inappropriate for the program it funds even if it falls within the expenditure limitations placed on the cost categories. JWB will not fund/reimburse the following (this is not an all-inclusive list):

1. Recreation programs that do not have a clear youth development component
2. Direct medical services, unless as a catalyst for matching funds as a demonstrated project, or as an integrated element of a program that encourages positive development of children, youth and families
3. Services or programs requiring worship or religious instructional activities as a condition of participation
4. Retirement of debt

5. Personal expenses of Board members, staff, or volunteers unless directly related to legitimate business purposes
6. Expenses incurred in a closed JWB fiscal year
7. Contributions to or on behalf of any political party or candidate
8. Charitable contributions
9. Costs associated with a funded agency's legal settlement
10. Administrative costs in excess of the Board adopted percentage
11. Expenses associated with fundraising activities
12. Costs not actually incurred or are insufficiently documented
13. Acquisition of real property
14. Expenses not approved through the budget or budget process
15. Sales tax
16. Gratuity greater than 18%
17. Travel mileage that exceeds the federal rate
18. Stipends, gift cards, gas cards, or staff/volunteer incentives
19. Late fees and finance charges (including interest)
20. Food and refreshments for events, meetings, retreats, or trainings that do not include program participants
21. Depreciation

PROGRAM REVENUE

All revenues, including in-kind and donations that support the JWB funded program must be reflected in the program budget. Provider will report in GEMS and to their assigned Senior Program Consultant within 90 calendar days any changes in non JWB revenue that would impact targeted service levels in JWB funded programs. All revenues generated for a JWB funded program must remain in that program as a condition of funding and be reflected in the program budget.

PAYMENT METHOD

1. JWB funding is provided on a reimbursement basis. Payment is made by Check or Electronic Fund Transfer (EFT). JWB will contract through a per diem, unit cost basis or cost reimbursement. The specific terms of these agreements will be established by JWB at the onset of each fiscal year.

Reimbursements

1. Reimbursements will not be processed until the agreement has been executed by all parties and the budget has been approved in GEMS. JWB will reimburse the provider up to the contracted budget amount. JWB reimburses based on actual expenditures or units of cost. Expenditures must be billed for reimbursement in the contract period in which the expense is incurred and in accordance with the JWB Accounts Payable Schedule. Expenditures in excess of the contracted budget will not be reimbursed by JWB. Reimbursements shall be submitted in accordance with the agreement.

2. Agency payment for all line items must occur prior to the submission of the reimbursement request.
3. Generally, services or purchased goods should fall within the date range of the reimbursement created. Services or goods must be performed or received in the fiscal quarter for which reimbursement is being sought.
4. Documentation to support the request shall be maintained by the provider and made available to JWB upon request.

Unit of Cost Reimbursement Requests

1. Reimbursement requests for unit of cost must correspond to the same period of time services are delivered.
2. The Services by Client or Summary Report (GEMS reports) or other report as specified in the agreement that includes the reimbursement time period will be used to verify the accuracy of the data prior to approving the reimbursement.
3. All units that are requested must be supported through case file documentation which substantiates the date that services were rendered and shall be made available upon request.

LATE REIMBURSEMENT REQUESTS

1. JWB typically issues reimbursements in accordance with an Accounts Payable Schedule attached to the JWB agreement. Per these agreements, providers shall elect to submit a request for payment at a minimum either every other week or once a month.
2. Reimbursements are considered untimely if submitted after the date outlined in the JWB agreement
3. Upon the occurrence of a late reimbursement request, JWB finance staff will contact the agency finance staff and document the details of the late submission.
4. Following the occurrence of a second late reimbursement request, JWB will contact the agency Chief Financial Officer (or equivalent) and document the details of the late submission.
5. Following the occurrence of a third late reimbursement request, JWB will contact the agency Executive Director (or equivalent).
6. Repeated late requests for reimbursement shall be reported to the JWB Chief Executive Officer.
7. Repeated late requests for reimbursement may result in non-renewal or discontinuation of funding.

BUDGET AMENDMENTS

Funded providers shall monitor spending and make appropriate adjustments to their budgets utilizing the Budget Amendment (BA) process. Budgets should be reviewed against actual spending. Amendments may be done throughout the funding year and should result in the

agency's ability to spend down nearly 100% of its allocation if all costs are realized. Once a budget is approved, changes can only be made through a BA.

The budget line items in GEMS are set up as categories and subcategories. The movement of funds between categories requires a Budget Amendment and approval by JWB. Any movement of funds that involves salary, benefits, capital or unit line items require the approval of the Chief Financial Officer. Funded providers may move funds within a category of spending without JWB approval for all line items except Salaries, Capital, and Units of Cost. For example, funds may be moved from Participant Transportation to Participant Food and Nutrition because these subcategories are under the main category of "Participant Expense".

JWB budget amendments must be submitted and approved through GEMS. Budgeted expenses are intended to be directly related to the program's ability to achieve the results in which the JWB has invested. Any budget revisions, should, therefore, not change the nature of the program. Complete narratives, including the calculation and reason, should be included in both of the subcategories where money is credited and/or debited. Amendments must be submitted prior to the actual expenditure. JWB funds may not be used to supplant other sources of revenue.

Budget amendments for the current contract period that may increase the following contract period's budget may or may not be approved. If approved, JWB is not committed to funding that increase in the following contract period.

FINANCIAL AND AUDIT REVIEW PROCESS

The financial program monitoring site visit is performed annually by the Senior Program Financial Analyst and staff. A Financial Monitoring Report along with supporting schedules and documentation will be reviewed with the Chief Financial Officer for approval. If an adjustment or a disallowance is made for an expense, the adjustment must be paid back to JWB prior to the execution of the subsequent fiscal year's agreement. A copy of the report is distributed to the provider to review. If any findings are identified in the report, the provider should document an acceptable remediation plan. JWB will determine, based upon the finding, what follow-up will be done. To ensure action has been taken, findings that are severe or persistent may result in the termination of program funding. Once the Financial Monitoring Report is approved and signed, a copy will be sent to the provider, shared with the JWB Board, and archived in Laserfiche.

Annually, the funded providers shall engage an audit firm that follows Government Audit Standards when conducting the financial audit and shows evidence of a peer review report completed every three years. By JWB agreement, the audit will be completed and a copy uploaded to the Agency's SharePoint page within 180 days following the fiscal year end.

JWB Contact Information

Agency staff should contact the JWB Senior Program Financial Analyst if they have any questions or require further guidance regarding the policies and procedures detailed in this manual.

ATTACHMENT 1- JWB CHART OF ACCOUNTS
