

Incident Report

Please submit electronically to IRreviewteam@iwbpinellas.org within 1 business day of incident.

All concerns regarding suspected abuse or neglect of a child or vulnerable adult by the Provider shall first be reported to the Florida Abuse Hotline and then reported to JWB. Certain personnel are mandated by law to report their suspicions of child abuse, neglect or abandonment to the Florida Abuse Hotline (1-800-96-ABUSE). All concerns regarding suspected abuse, neglect or abandonment of a child or vulnerable adult by the Provider shall first be reported to the Florida Abuse Hotline and then reported to JWB. Incident Reporting does not preclude mandated reporting requirements.

Note in both instances of Participant Illness and Participant Injury the parents may use Emergency Medical Services as transportation to the hospital - if it is used solely for this purpose an incident report is not required. In the event that the participant leaves the program and requires emergency care due to an injury or illness incurred at the program, an incident report should be complete when the program becomes aware.

All e-mail communications made or received by JWB members or staff are considered public records and are retained and, upon request, made available to the public and media in accordance with Chapter 119, Florida Statutes. Please do not use identifying information in this report such as names, dates of birth, addresses or phone numbers of participants.
