

Incident Report

Please submit electronically to IRreviewteam@jwbpinellas.org within 1 business day of knowledge of any incident.

All concerns regarding suspected abuse or neglect of a child or vulnerable adult by the Provider shall first be reported to the Florida Abuse Hotline and then reported to JWB. Certain personnel are mandated by law to report their suspicions of child abuse, neglect or abandonment to the Florida Abuse Hotline (1-800-96-ABUSE).

Note in both instances of Participant Illness and Participant Injury the parents may use Emergency Medical Services as transportation to the hospital – if it is used solely for this purpose an incident report is not required. In the event that the participant leaves the program and requires emergency care due to an injury or illness incurred at the program, an incident report should be complete when the program becomes aware.

In addition, the Provider shall notify JWB immediately upon knowledge of any action or incident involving Provider staff or volunteers that could potentially jeopardize the terms of this Agreement which includes misconduct, malfeasance during working hours, or any conduct that results in the arrest of a staff member or volunteer after hours.

Within one (1) business day of knowledge of any incident, the Provider must submit electronically a completed Incident Report to IRreviewteam@jwbpinellas.org with full details and disposition of the incident, excluding identifying information such as name, date of birth, and address. In the event of a participant death, please contact by phone the JWB Chief Program Officer within three (3) hours of notification of the incident. (516) 359-6224

Alle-mail communications made or received by JWB members or staff are considered public records and are retained and, upon request, made available to the public and media in accordance with Chapter 119, Florida Statutes. Please do not use identifying information in this reports such as names, dates of birth, addresses or phone numbers of participants.
