The Juvenile Welfare Board of Pinellas County (JWB) is seeking applications from 501(c)(3) agencies that currently receive program funding from JWB for Non-Operating and Capital Projects. The purpose of this RFA is to make one-time only investments for capital projects that increase the ability of 501(c)(3) agencies that currently receive program funding from JWB to make property improvements and improve operations over the long-term. More specifically, these funds can be used to support capital projects that allow for a new acquisition or the replacement or renovation of a deteriorated capital asset.

To access the Training Videos, first complete your registration by following the "Access and Registering Video" located under Resources on the Grant Detail Page. The Juvenile Welfare Board of Pinellas County (JWB) is seeking applications from 501(c)(3) agencies that currently receive program funding from JWB for Non-Operating and Capital Projects. The purpose of this RFA is to make one-time-only investments for capital projects that increase the ability of 501(c)(3) agencies that currently receive program funding from JWB to make property improvements and improve operations over the long-term. More specifically, these funds can be used to support capital projects that allow for a new acquisition or the replacement or renovation of a deteriorated capital asset.

For any technical issues, please contact flex@jwbpinellas.org

APPLICATION QUESTIONS

2. Project Type * Select the project type that fits your request.

In limited circumstances, the project may have two project types which include technology. If this is the case, please select the other project type below, not Technology in this question. You will select Technology in Question 3.

If your project is ONLY Technology, select Technology for this question and Question 3.

Building or Property Improvements

Building or Property-a. Layout of Project * Provide a description of the layout of the project which may include the number of buildings, the square footage, number of rooms, etc.

b. Land Use Restriction Determination * Is your project for a leased building or property, or do you own your building or property and your contained request(s) for building or property improvements total is equal to or greater than \$100,000.

c. Own or Lease Property * Does your agency own or lease the building or property?

Own **Lease**

- There are some questions that the responses trigger additional questions that must be answered.
- Example is Project Type question
- This question, depending on your selection, will trigger additional questions about your type of project.
- These types of questions that waterfall to additional questions will be found throughout the Application.

BUDGET AND VENDOR FORM

 Budget and Vendor Quotes Form

This section should include all items that need to be purchased for the project, regardless of the funding source.

Items with a total cost of over \$5,000 must be based upon three, current (quoted on or after 09/24/25), written quotations. The three written quotations must be uploaded in the appropriate fields below.

If there is only one source for the requested item or service, a written justification must be attached explaining the reason it is a sole source; or, if the agency was unable to get three current quotations for the requested item or service, a written explanation must be included in Question 13c in Project Narrative Form-Return on Investment in the Application explaining the reason three current quotations were unable to be procured, including efforts to contact vendors and their responses, if applicable.
