JWB & Parent ProTech Arm Parents With Tools To Keep Kids Safe Online

The Juvenile Welfare Board (JWB) is offering parents and caregivers a **free** subscription to Parent ProTech for the latest information to help keep kids safe online.

Parent ProTech experts advise parents of dangers lurking on their children's devices and equip them with tools to navigate technology safely. Their vast online library includes videos and guides on topics like parental controls, social media, AI, and more.

JWB is committed to protecting children and aiding law enforcement in their valiant efforts to stop cyberbullying, human trafficking, and online predators. We invite everyone to join our efforts to safeguard children, support families, and strengthen our community!
